THE RECTOR'S MESSAGE

St. Paul, in writing to the Ephesians, reminded them that there was a time when they were "without hope and without God in the world". He goes on to point out that no man needs to be "without hope and without God in the world". "For through Christ we all have access by one spirit into the Father." From a practical point of view, the Doctrine of the Trinity teaches us that the full Christian experience of God is a matter of growth, as we in study, prayer, worship and service, approach God as transcendent Creator, the Father; incarnate Saviour, the Son; and imminent Spirit, the Holy Spirit.

NOTES

"I RECEIVE THE CHURCH LEAFLET AND 'FORWARD DAY BY DAY'". This is a quotation from a letter received recently from a young man of the Parish now in the Navy. To continue, he writes: "I had been praying every night, but that isn't enough. I have resolved to attend Church at every opportunity and worship God in His own Temple."

We here at home, who have many more opportunities to use the "Forward" booklet and to attend services than has this member of our Parish family, may with great profit to our souls' well-being follow his example.

The daily use of "Forward Day by Day" in connection with reading our Bibles and attending Church at every opportunity to worship God in His own temple will strengthen every one of us for whatever the future may hold for us.

Men of the sea were among the most willing, devoted and valuable of Jesus' followers. They won countless thousands for Him. Let us follow the example of our "man of the sea" who has found His way.

THE ENCLOSURE WITH THIS LEAFLET TELLS OF THE WAR HOUSING EMERgency existing in Philadelphia. Any members of the Church who have extra living space to rent can help to solve this serious problem by following the suggestions made.

WE THANK ALL WHO HELPED WITH THE FAIR OF OLD PHILADELPHIA.

"GARDEN SINGS" START NEXT THURSDAY, JUNE 25, AT 7:30 P. M. IN the Churchyard. The "Sing" and the social hour following it are for everyone, youngsters and adults. Men of the Armed Forces are welcome.

CHILDREN'S SERMONS, IN ADDITION TO THE REGULAR SERMONS, WILL BE part of the 11 o'clock Services during July and August. It will be helpful if the Rector is told how many children will attend during these months. Please tell him that YOUR children will be here.

VISITORS, PARTICULARLY SOLDIERS, SAILORS, AND MARINES ON LEAVE, are welcome at all Services. They are asked to make themselves known to the Clergy.

The Collect for the Fourth Sunday After Trinity

O God, the protector of all that trust in thee, without whom nothing is strong, nothing is holy; Increase and multiply upon us thy mercy; that, thou being our ruler and guide, we may so pass through things temporal, that we finally lose not the things eternal. Grant this, O heavenly Father, for the sake of Jesus Christ our Lord.
Amen.

SUMMER LEAFLET

July, 1942

THE RECTOR'S MESSAGE

Take time this summer to be quiet. Our Lord in the midst of a short and busy life on earth found it necessary to go apart from His disciples and from people to be quiet and listen to God. We need the same periods of quiet when our minds and bodies can be at rest. In such quiet God does speak. From such quiet we return to the ordinary affairs of life refreshed and invigorated. Take time to be quiet before God that you may go forward joyously and courageously in God's service.

SUMMER LEAFLET

August 1942

THE MAJOR PRIORITY

What's wrong with taking yourself seriously? Nothing - EXCEPT when you do, you have no time to take others seriously. And that is much more important as far as getting along day by day in this world is concerned. When you take yourself seriously, you have not time to take God seriously, and that is disastrous. When you put God first you begin to see yourself and your fellowmen in the proper prospective. Putting God first - taking him seriously - sends you forth with a new attitude toward life. In all the commotion today about priorities, take time to see that the major priority - God - has His proper place in your life. Without God all our striving is in vain. E. F. K.

THE RECTOR'S MESSAGE

Important as has been the ministry of the Christian Church in the past, in this day of world-wide revolution, it is of primary importance. Loyalty to Christ requires us to drop from our lives and from our plans those things that are contrary to His spirit. Only so can we walk with Him along the way that leads to the establishment of social justice, righteousness and peace. Our responsibility as Christians is to lead the fight for the abundant life from within against those forces which would destroy it. Only as we stay close to Christ can we see how to live in the midst of the confusion which surrounds us, but with Christ there is hope. Let us join with Rupert Brook in saying "Now God be thanked who has matched us with this hour" and resolutely and courageously go forward in God's service. Men and women of good will have in the past been strangely silent and inactive. Now we must assert our will to make any sacrifice for the cause of Christ. Now, like the disciples of old, we must speak boldly and live bravely and openly for Christ and His righteousness. E. F. K.

THE RECTOR'S MESSAGE

What is the purpose of the Parish Mobilization? It has a three-fold purpose: (1) to forcibly remind every member of the parish family of the importance of the Christian religion in the community; (2) to enlist individuals for active duty in the work and worship of the parish; and (3) to secure pledges to adequately support the parish, the Diocese, and the National Council in the work here in Philadelphia, in the Nation and in the world-wide community.

You and I have heard the call of Christ - "Follow me". There is only one way we can answer His call. We must give our whole-hearted allegiance to Him. To do that means self-sacrifice. We are called on to use our energy and cooperation. This is no time for half-hearted discipleship. We are called on for all-out devotion to Christ and His Kingdom. As St. Paul tells us we are "called to be saints". We are not to allow ourselves or our prejudices to dim the light of God's love that should be shining through our lives and our fellowship. E. F. K.

THE RECTOR'S MESSAGE

At a time when the whole world needs a dynamic faith in God, churches in Philadelphia are facing shut-downs, or are operating below capacity, for want of convinced Christians. The country is engaged in a drive for scrap for steel mills. That scrap is vital. But it is even more vital that professing Christians should be saved from the scrap pile of indifference and selfishness and take their rightful place in the world-wide community of active disciples of Jesus Christ. "The harvest truly is great, but the labourers are few; pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest." And as you pray, labour. Carry the spirit of Christ into those areas of life "whither He Himself would come." E. F. K.

THE RECTOR'S MESSAGE

You have received by mail the Budget Letter telling you of the Church's needs for 1943. You have been asked to complete the Pledge Card which accompanied the letter and to return it to the Rector.

With this Leaflet you receive a Poster, "ALWAYS A PRIORITY". When, after prompt and careful consideration you have filled in BOTH SIDES of your PLEDGE CARD, and mailed it, put this Poster in your window to hearten passersby who in these troublous times seek something or someone to tie to.

God is the Someone they seek; His Church is the Something. The Poster will be evidence to them that you are an ambassador of both, a comrade in the Christian fellowship that faces the future unfalteringly.

THE RECTOR'S MESSAGE

The following quotation from a letter from one of our Christ Church men now serving in the armed forces of our country is very timely as we look forward to voting on Tuesday, November 3 - "I am impressed more than ever with the necessity of teaching the average voter more about his political obligations. Older voters have now inherited the obligations and responsibilities of all those younger men who are no longer able to vote. The greatest contribution they could make to the war effort would be to put some more real statesmen in office." E. F. K.

A DAY OF PRAYER FOR PEACE - WEDNESDAY, NOV. 11

On Wednesday, we shall join with men and women all over our country to ask God for the spiritual strength and wisdom to win a just and lasting peace. Holy Communion will be celebrated at 8 a.m. Through the day Parish members will kneel for 20 minute periods at the Litany Desk to lead silent intercessions, except at noon, when a Service will be held from 12:25 to 12:50 p.m., at which Dr. Abraham A. Neuman, President of Dropsie College, will assist the Rector. At this service the names of our men and women and those of the men formerly working in this neighborhood, who now are in the Nation's Armed Service, will be read and remembered in our prayers. Strengthen this corporate effort by your presence. Use the enclosed prayer leaflet at home.

NOTES

Those who care to do so are invited to meet in the Neighborhood House at 10 o'clock to listen to the Presiding Bishop's Nation-wide broadcast over C. B. S. at 10 o'clock. THE NEW BISHOP COADJUTOR OF THE DIOCESE, THE RT. REV. OLIVER HART, D. D., WILL BE OUR GUEST AT THE LUNCHEON AND WILL SPEAK TO US. You will all want to meet Bishop Hart and hear him. We are glad that he can be with us on the 247th Anniversary of the founding of this parish. Two Hundred Forty-seventh Anniversary

THE RECTOR'S MESSAGE

This Sunday is Parish Sunday. It is also the 247th Anniversary of the founding of this parish on November 15, 1695.

As we offer to God our pledges of worship, personal service and money for the continuance of His work during 1943, we are mindful of our heritage from the past and we reconsecrate ourselves and our fellowship together to God and His service. By giving of ourselves generously we can let God's power work through us for the accomplishing of His purpose.

After the 11 o'clock service we will go immediately to the Second Floor of the Neighborhood House for lunch. You bring your own box lunch. Coffee and dessert will be provided by the parish. After lunch the Accounting Warden will make his report. The amount of our pledges for 1943 will be announced. Bishop Hart and Mrs. Hart will be our guests at the luncheon conference. We want to welcome them to the parish.

THE RECTOR'S MESSAGE

The First Sunday in Advent is the Church's New Year's Day. How often we say "if" - if each person present would bring another; if everyone could be trusted; if each individual would only do his part. Yes, "if". But on this First Sunday in Advent let us not think at the beginning of the new Church year in terms of "if", but in terms of "I will". Begin today to do your part. Begin today to "cast off the works of darkness and put on the armor of light".

E. F. K.

THE RECTOR'S MESSAGE

The following quotation is from a service leaflet sent me by one of our men in the Army - "The attendance at these services has been very good, but there are still men who are not in church on Sunday. A GOOD JOB for each man would be to go around on Saturday night or Sunday morning and invite his friends out. THERE ARE A NUMBER OF MEN who intend TO GO TO CHURCH, but need a little ENCOURAGEMENT." True, here as well as in the Army. A GOOD JOB for every regular attendant at Christ Church would be to give that needed encouragement to others by calling on Sunday morning to bring them to Church with you.

THE RECTOR'S MESSAGE

There is a note of judgment and urgency in the Advent Season. The Day of Judgment is not just a day in some far distant future. It is a present reality. We are judged by the way we live. We are judged by what we are, not by what we hope others think we are. To come into the presence of Christ is to have all sham and pretense, even though built up at great cost and effort to ourselves, wiped away. In His presence we are revealed for what we are; but as we see ourselves stripped of all our insincerities, we are not left in despair. We see that by nature we are the children of Our Heavenly Father who believes in us, who loves us and who has work for us to do. That experience can be likened to being born again. It is to that rebirth that Advent calls us, that the days and hours which remain may not be wasted, but may be spent in the service of God. E. F. K.

NOTES

THE BIBLE LECTURES AT THE CLOSE OF THE SERVICE EACH SUNDAY ARE A part of our preparation together in Christ Church during this Advent Season. The third of these lectures will be given by the Rector on St. Paul this Sunday.

THE PARISH WILL RECEIVE SHORTLY THE CHRISTMAS CARD GIVING THE schedule of the services in the Church during the Christmas season. Please read that schedule carefully and note the change of the hour of the Candlelight Carol Service on Christmas Eve. This year it will be held at 5:15 p.m. We do not want anyone to miss this service because they did not know the change in the hour. Note particularly also that the Christmas offering this year will be for work among children in Liberia where the Rev. Packard L. Okie is our missionary. Start now to save so that your Christmas offering may really represent your good will toward those children of God who live in Liberia.

THE RECTOR AND PART OF THE CHOIR WILL CONDUCT THE SERVICE AT THE Home for Incurables this Sunday afternoon at 3 o'clock.

THE RECTOR'S MESSAGE

The members of the Parish, as they look forward to this Christmas week, will be interested in the following quotation from the Archbishop of Canterbury's Christmas message - "It was into the real world that Christ came, into the city where there was no room for Him and into a country where Herod, murderer of innocents, was king. He comes not to shield us from the hardness of the world, but to give us the courage and strength to bear it; not to snatch us away by some miracle from the conflict of life, but to give us peace - His peace - in our hearts, by which we may be calmly steadfast while the conflict rages, and be able to bring to the torn world the healing that is peace. . . . The gospel of the coming of Christ is the foundation of all our hopes. 'Love came down in Christmas'. As we adore, so let us open our hearts and welcome that love." E. F. K.

THE RECTOR'S MESSAGE

The building of the new world order requires men today who, like St. John, enter fully into the mind and purpose of Christ. The year that is drawing to a close has brought home that lesson to us. As we look forward to 1943, we dedicate ourselves to walk with all those in all ages and of all races who have lived for the great purpose of world brotherhood. We remember that brotherhood is giving to others the rights, justice and freedom we cherish for ourselves. "God so loved the world, that he gave His only begotten son". In the light of that Love, we give ourselves that all men may be free.

THE RECTOR'S MESSAGE

"Pray without ceasing." So St. Paul wrote to those in the Church in Thessalonica. We can take his precept to ourselves. We are to pray that we may learn God's will, surrender to God's purpose, invoke God's strength and comfort, intercede for God's care and guidance for those away from our fellowship in the Army and Navy, and seek God's forgiveness. We are to do this "without ceasing" - at home, at work and at Church. Such prayer is not formal words, but an habitual attitude. As we start the year 1943, let us make such prayer our main purpose and show it in our everyday lives.

THE RECTOR'S MESSAGE

During the Epiphany season our Parish Forward in Service program calls for an effort to be made on the part of all the regular attendants and supporters of the worship and work of Christ Church to make an honest and vigorous effort to bring back into the active fellowship of the Church those members of the Parish who for one reason or another are not regular in their attendance at the services and who do not take an active part in the work. In many cases you who are active know who the inactive people are. Take time this week to decide which ones you will visit regularly during this Epiphany season and endeavor to bring to Church with you. The success of this mission within the Parish depends upon you. We need to strengthen the worship and fellowship and work of our own fellowship during Epiphany in order that we may move out during the Lenten season to reach the unchurched. Let me know who you are trying to bring back into the active fellowship of this Parish, then together we can pray for God's guidance and help.

THE RECTOR'S MESSAGE

This Sunday is known throughout the city as United War Chest Sunday. The support of the 150 hospitals, and other health and welfare agencies, the U. S. O. activities and the various National War Relief funds is of vital importance. It has been said that religion is what men do with their togetherness. Faith in God lifts patriotism and fellowship to the high level where they belong. Every member of the church through the United War Chest has an opportunity to share in the work of the agencies of the relief funds that do so much to maintain life on the home front. E. F. K.

THE RECTOR'S MESSAGE

This Sunday marks the beginning of the Pre-Lenten season. During the next two and one half weeks, we are to clear our calendars and so arrange our private and business affairs that we can make Lent a real period for deepening our spiritual life - as individuals and as a fellowship. Make your plans to set aside a definite time each day for prayer and Bible reading, and for family prayers. Plan to set a definite sum of money aside each week so that your Easter offering may truly represent your interest in the world-wide mission of the Christian Church. Plan to attend Church each Sunday and at least one of the weekday services. Ask yourself now who you should approach to bring to Church with you.

On Quinquagesima Sunday we will again have a Quiet Day, beginning with Meditations at 10 a.m. and closing with the Holy Communion at 11 a.m.

There can be no lasting peace or justice for individuals or nations except on the basis of Christian principles. Those Christian principles must find expression in our lives and in our fellowship. Let us seek God's grace that through us His Light may shine to bring hope and peace and justice. E. F. K.

THE RECTOR'S MESSAGE

One of our men in the Army recently wrote me, "Knowing and sharing your staunch support of Missions, and since we of Christ Church are "actively" in the field now, with Packard Okie pitching, I thought of you both on reading the enclosed, and so send it on". And this is the paragraph he marked on the Camp Church Bulletin. "As a matter of simple fact and experience, Christianity kept to itself invariably spoils. It has to be kept in circulation to remain pure and potent. Once any church or national group of Christians tries to withold it from the widest possible dissemination, it always fossilizes. The dead churches, through the years, have always been the unmissionary churches." How true! May our lives, our gifts and our prayers serve God and His purposes for all mankind. Lent is our opportunity to broaden our vision and deepen our consecration as we open our lives to the Spirit of Christ.

THE RECTOR'S MESSAGE

The emphasis in Lent is not negative, but positive. As St. Paul put it, "Be not overcome of evil, but overcome evil with good." Our emphasis is not so much on what we can give up, as on what we can accomplish as a result of putting God first. This necessarily means that we do not have time for many lesser concerns. We have the season of Lent that we may gain the victory over that which enslaves us and find the perfect freedom that comes alone in the complete and whole-hearted service of God. The Sacraments and services of worship of the Church are the God-given ways in which He helps us gain the victory. If you will use in your private prayer each day a Collect for Peace found on page 17 of your Prayer Book, you will find that it too will help you to make this Lent a positive one for you and for our fellowship together. E.F.K.

THE RECTOR'S MESSAGE

From this Parish have gone 94 of our members to serve in the armed forces. One has made the great sacrifice and two are prisoners of the enemy. We are proud of what our fellow members of this Parish are doing on the fighting front. We would have them have reason to be proud of what we are doing on the home front.

On next Sunday we are asked to give generously and gladly of our means to support the work of the Army and Navy Commission, which backs up the Chaplains on the fighting fronts all over the world and to the War Commission of the Diocese which works right here in our community. You will receive through the mail a letter, a folder and a pledge card and envelope from Bishop Hart. Bring your offering next Sunday at the 11 o'clock service. I do not feel it is too much to ask every member of Christ Church to give at least one dollar for this offering. You are called on to give to many noble causes. This cause is peculiarly our own. I am confident you will respond generously and proudly. E. F. K.

THE RECTOR'S MESSAGE

Have you heard of the Cape Cod Plan? The Plan asks all who will to do two things - one, to pray three times a day "Father, Thy will be done through me"; and two, to secure seven others who will do likewise. The prayer, "Father, Thy will be done through me" will give point and meaning to a life of service. Securing others to use the same prayer three times a day will start you on your missionary journey that in its own way and for you will prove as thrilling and as meaningful as were St. Paul's journeys.

I would be glad to have the names of all who will join with me in doing the two things mentioned above. E. F. K.

THE RECTOR'S MESSAGE

This Sunday we begin the last two weeks of Lent. We remember again Our Lord's determination to go to Jerusalem. During this next week we take that journey from Galilee to Jerusalem with Him. On Palm Sunday we hear again the glad Hosannas of the crowd that welcomed Him to Jerusalem. We think again of the cleansing of the Temple, of the Last Supper in the Upper Room, of the Garden of Gethsemane, of Calvary and the empty Tomb. If you have not spent the time in prayer and study that you meant to during the first four weeks of this Lent, remember that the opportunity is yours for the next two weeks. E.F.K.

RECTOR'S MESSAGE

Easter is a day of hope that belongs to the whole World. That hope came only after the Cross. Death does not stop life, as life is revealed in the character and teaching of Jesus Christ.

As we at Easter receive with thankfulness the hope of eternal life that is ours through Jesus Christ, God grant that we may use our present opportunity to make manifest in our lives and in our fellowship the quality of that eternal life revealed in our Lord.

We share with all what has been given to us -- not tomorrow nor at some far distant future date, but now.

NOTES

THE RECTOR'S MESSAGE

With this leaflet is being mailed a pamphlet entitled "I Confess My Faith" by Madame Chiang Kai-shek, whose recent visit to this Country has been such an inspiration to all of us. In this article she tells graphically and simply of the Faith by which she lives. It is a Faith she learned about first from her own mother. It is in the home that the child learns first about life. When that home is a Christian home where Faith in God is not only talked about but lived out in the every day relationships of the home the child receives a start in life that he can receive in no other way. As we worship God in Christ Church may we carry the spirit of His Son Jesus Christ into our homes that those growing up there may know the Faith that sets men free. E.F.K.

THE RECTOR'S MESSAGE

Our Lord disclaimed all privileges of position, education, social standing or economic power. His only claim was that of service. "The Son of Man came not to be ministered unto but to minister and to give his life a ransom for many." So he helped his disciples to set a right value on their own gifts of character and ability. What they had was theirs to use for others. Christ gave them dignity in their own eyes by developing their sense of personal worth as workers together with Him for God and His great purposes. He enabled them to serve, and in that service to lead. It is that leadership of service to which He calls us today.

THE RECTOR'S MESSAGE

When Solomon was faced with the problem of leading the People of Israel after King David's death, he was appalled by the magnitude and difficulty of his task. He went into the Temple and prayed to God for an "understanding heart" that he might judge the people rightly and discern between good and evil. The problems and difficulties before us as we try to live as Christians appall us. Like Solomon we need the "understanding heart" which relies on God. Not brute force or selfish indifference, but the "understanding heart", which relies on God, will help us in these difficult days. The Apostle Paul put it very plainly when he wrote to the Corinthians, "Other foundation can no man lay than that is laid, which is Jesus Christ."

Give wisdom to our counsellors; and courage and endurance to our soldiers, sailors and airmen, and all who guard our shores. Look in compassion on those immediately exposed to danger and hardship--all who are embattled and imprisoned; all who wander sad-hearted and alone; all whose homes have been left unto them desolate. Vouchsafe unto all of us that courage that shall enable us to live through anxious days and troubled nights. And grant that, when the current conflict of the nations is over-passed, there may be in us a mind forgetful of past ill-will, a heart of love for all true spirits, and a disposition to find a way of living that shall last forever. Through Jesus Christ, our Lord." Amen. -- from the Federal Council Bulletin.

ROGATION DAYS

Rogation Sunday and the three days following are days of special prayer, asking for God's blessing particularly on the crops. In this year of "Victory Gardens" we are in a better position to appreciate and use this special season. Let us pray to God, the giver of all good gifts, that we may so till the earth and prepare our hearts that all men everywhere may have enough to eat and all together acknowledge God as Father. So may the sacrifice of those we remember this day, who laid down their lives that mankind might be free to worship God, find fulfillment in a world at peace with God and so with itself.

The Service on Ascension Day, Thursday, June 3, will be the Holy Communion at 12:00 noon. E.F.K.

THE RECTOR'S MESSAGE

"Come and see" was the invitation Our Lord gave to those who would know where He lived, who would know Him.

Such is the invitation of the Church School of this parish to boys and girls. In the Church School our aim is by example and precept to set the children of the parish on the road that will bring them to a first-hand experience of Jesus, whom to know is life eternal.

The Christian religion may start as a second-hand affair, but it must go on to be companionship one with another with the Living Christ. The guiding of boys and girls along the way that leads to that first-hand experience is the responsibility of all adult Christians in the parish family.

The actual carrying out of that responsibility is delegated to the officers and teachers of the Church School. On this Sunday the Church School will hold its annual Commencement exercises at the 11 a.m. service. We of the congregation want Miss Hickson, Mr. Pearson, Mr. Smythe and the other officers and teachers to know we appreciate what they have done as our representatives for the children of the parish. To the boys and girls of the School go our best wishes. We say to them that they can always count on the interest and help of the older members of the family. We and they together are disciples of Christ and are sent by Him into "those places whither He himself would come."

THE RECTOR'S MESSAGE

This is Whitsunday. We remember the gift of the Holy Spirit to the waiting group on one hundred twenty disciples in Jerusalem.

The Holy Spirit is seen in action. Christ promised his disciples that God would give them the gift of the Holy Spirit. After they received that gift they were to be his witnesses in Jerusalem, Samaria and unto the uttermost parts of the earth. The Holy Spirit enabled the early disciples to bear witness in trying times to the revelation of God in Jesus Christ. The same Holy Spirit today will give us like power to bear witness to the way of life revealed by God in Jesus.

God gives His Holy Spirit to all who will open their lives to Him. Let us open our lives to God and pray that through His Holy Spirit He will do with us and through us what He wants to do for the establishment of His righteousness and peace among men on earth.

THE RECTOR'S MESSAGE

With this leaflet is being mailed the "Forward Day by Day" pamphlet for the Trinity season. The daily use of the "Forward Day by Day", both by individuals and family groups, will help us all to grow spiritually and be strengthened for the opportunities that are before us. Look upon the summer months not as a time for laxness in things that have to do with the spirit, but as an opportunity to deepen your own spiritual experience through prayer. Bible reading and attendance at Church. This is no time to be lax, but rather a time in which we are privileged to redouble our efforts in order that we may be prepared to take advantage of the opportunities that are daily presented to us for bearing witness to Christ, the Saviour all the world is looking for.

THE RECTOR'S MESSAGE

To come face to face with Christ is to have your ideal for yourself purified and elevated. The realization of how far you fall short from what you were created to be is intensified. But beyond all that, to come face to face with Christ is to have born in you a passion to become the man Christ so clearly shows to you. That man you can be is seen to be an individual in relation to others. So is born a vision of what our corporate life will be when all men acknowledge Christ as Lord and Saviour. With that vision is born the determination to let your life be enlisted in Christ's cause of making over the life of society into the brotherhood of man in the Kingdom of God.

THE RECTOR'S MESSAGE

Where does the real danger to Liberty lie? Is that danger found in the wicked designs of our enemies, or is it to be found also in our own selfish ambitions and endeavors? "He who wills the end, wills the means" is the way an old doctrine runs. The Christian stands for the the freedom and the liberty which are not of man's making but of God's. The end willed is the Kingdom of God. It follows that the means used must be those of God revealed in Jesus Christ. The designs of our enemies cannot destroy liberty, but the committment of men to the way of Christ can make God's liberty and freedom available to all. E.F.K.

NOTES

WE OF THIS GENERATION ARE FIGHTING TO KEEP OPEN THE POSSIBILITY of a civilization governed by Christian principles and for the opportunity to make the ordering of human life increasingly Christian. For whom? First, and of most importance, the children of this and future generations. Its careful reading, study and translation into constructive action are commended to all. We must not, dare not, fail the children of today who tomorrow will build the future on the foundations laid by us and our forefathers.

THE RECTOR'S MESSAGE

"Any fool can find fault. Only a wise man can see the good so often hidden beneath an unpleasant enterior". Jesus, in his dealing with people, looked not for the evil, but for the good. As a result Mary Magdalene, Zachias, Peter and many others were helped to see life as God means it to be. And even from the cross, Jesus could pray, "Father, forgive them for they know not what they do". If we are not to be overcome of evil, but to overcome evil with good, we need to follow Jesus Christ in looking for the good in others and not the evil. Fault finding is easy and cheap. Do not fall into the habit of walking the easy way that leads to destruction, but walk with Christ on the way that leads to life eternal. E. F. K.

THE RECTOR'S MESSAGE

It is always encouraging when individuals ask questions. There is a questioning spirit abroad in the land today, and it should be a great encouragement to all of us. Men and women are beginning to realize that "they don't know it all". Once more we are becoming humble and teachable. We are beginning to understand the wisdom of Benjamin Whichcote's words - "He is not likely to learn who is not willing to be taught, for the learner has something to do as well as the teacher."

THE PLUS IN LIFE

Whatever else Christianity may be, it is not a negative attitude toward life. Jesus said, "I am not come to destroy, but to fulfill." The Cross is not the negation of life, but the symbol of the way to live life to the full. Reach out to affirm life with Christ and move forward with Him along the open road of action.

THE RECTOR'S MESSAGE

Winter will mean hardship in liberated Europe. Faith and hope have supported the United Nations in their fight for freedom of the enslaved areas. The people now freed need our help. Give used or new clothing to the collection station of the Russian War Relief in your neighborhood, or bring your bundle to Christ Church on Sunday for the emergency collection of the United Nations Relief and Rehabilitation Administration. Unless you and I do our part millions of men, women and children in Europe will suffer bitterly this winter. We of Christ Church will want to do our part. Our preacher at the 11 o'clock service this morning is the Rev. E. Bolling Robertson, formerly Rector of St. James' Church, Boydton, Virginia. Many in the parish will remember Mr. Robertson as the student who worked with us in the parish in the summer of 1941. After graduating from the Virginia Theological Seminary in January, 1943, he went as rector of St. James' Church, Boydton, where he has remained up until the present time. He is now under appointment as a missionary to Liberia and will shortly be leaving to join Packard Okie in the work there. We are fortunate to have him with us this Sunday, not only to preach for us, but also to carry our messages of affection and interest to Packard Okie. E. F. K.

PARISH SUNDAY

THE 249th ANNIVERSARY

November 12, 1944

THE RECTOR'S MESSAGE

It is fitting on this anniversary Sunday that we should offer to God, our Father, our pledges of worship, work and money for furthering the work of His Kingdom of righteousness, justice and peace here at home and in far-away places. It is fitting because on this Sunday we remember those whose self-giving in the past 249 years has given us a noble heritage and inspiring example. We cannot fail to recognize, as we let our minds go back over the past the great debt we owe them for their courageous stand for the way of God as revealed through Jesus Christ. Through this remembrance, the recognition of our tremendous debt to them becomes increasingly clear and we are lead to resolve to play our part manfully in this our day, as did our forebears in theirs. God grant us today the fortitude and vision to be for our day faithful stewards of God's manifold gifts to us. The days of reconstruction in church and state-in all of civilization-that will inevitably follow the cessation of hostilities - will not be days of ease,- but will be fraught with grave dangers and even greater opportunity. We will need the strength God alone can give. Let us pray God to strengthen us in our resolution to go forward in the years ahead to make the witness of this parish count for the things of God as it has in the past.

THE RECTOR'S MESSAGE

Next Thursday is Thanksgiving Day. The service in Christ Church will be at 11 o'clock. Adversity and suffering is showing us the real ground for Thanksgiving. There is no better place to express that thanksgiving than by coming together as a fellowship to give our thanks to God in His church. Now more than ever before we are aware that the resources of the earth have been given us by Our Heavenly Father to use in performing His righteous and just Will for all. That we have not always so used them is a fact for which we are truly penitent. We have Our Lord's assurance of God's forgiveness when we do truly repent. In His forgiveness is our opportunity. As individuals and as a nation on this Thanksgiving Day we can thank God for the victories that will bring peace - a peace in which we can bend to constructive ends the vast power now being used to drive out evil. We can thank God for the opportunity that is ours to be part of a great endeavor demanding our best efforts now and in the future.

The little leaflet and envelope enclosed give to each of us a practical suggestion of a concrete way in which we can express our thoughtfulness at this time. The Episcopal Hospital serves in Christ's name all who are sick and suffering. We are thankful for its ministry and for our opportunity to share in its work through our giving. The offering envelope for the work at the Episcopal Hospital can be put on the plate on Thanksgiving Day and on the Sunday before or after. E. F. K.

EPISCOPALIANS AND THE BIBLE

Dr. Frederick C. Grant, writing in The Witness recently said, "We Episcopalians are a scripture-loving, scripture-hearing Church. There is more of the Holy Scriptures used in the Prayer Book services than anywhere else in Christendom in public services of worship." But the fact that we do have so much of the Bible in the services of worship does not excuse us for neglecting the private reading of the Bible in our homes. This Bible Sunday is an appropriate time for each of us to revive the practice of reading the Bible, day by day. It will help the public reading of the Bible in our services of worship to be more meaningful. As a guide to help in private reading of the Bible, the Bible Society list, sent out with the leaflet two weeks ago, is a help, as is the Forward Day by Day booklet and the lessons listed in the front of the Prayer Book for daily reading. Let us in Christ Church make every effort now to read the Bible day by day. E. F. K.

THE RECTOR'S MESSAGE

"When you get out of step you march alone. No one of us is big enough to march alone." So Quentin Reynolds has written in "The Curtain Rises". No, we are not big enough to walk alone. Nor are we big enough to walk together, save as we walk with God. It is as we walk with God that we receive from Him the strength to walk together in the doing of His will. When we find ourselves out of step and marching alone it is time not to condemn others, but to repent and return to God. In fellowship with one another in the Church we learn to walk together as we read the Bible, use the Prayer Book, sing the hymns, and carry the Light of God's spirit out into all the relationships of life. E. F. K.

THE RECTOR'S MESSAGE

Many of the unessentials of life are being stripped away. We are being recalled from the circumference to the center. Many who in the past found Christmas only a holiday, will this year be seeking the essential religious meaning of the Day. A child was born in a stable in Bethlehem some 1900 years ago. That is the historical fact. And also that a new force entered into the world. The life the Child born in a stable lived has changed the course of history. He has deepened the meaning of love, mercy, compassion and human relationships. That is the fact. Christianity is not a beautiful theory, but a personal and social relationship to Christ. On this Christmas may we recall the miracle of His life and follow Him as the central reality of all life. E. F. K.

THE RECTOR'S MESSAGE

Beginning January 1, the Parish and Neighborhood Honor Rolls will be placed in the United Nations Chapel. A loose leaf book will be placed on the prayer desk. In it each day will be inscribed the names (in alphabetical order) of five of those of our fellowship now in the armed forces. Opposite their names there will be a space for members of the parish to write their names as they say a prayer for that member of the armed forces. Letters will be sent from the parish the next day to those who were remembered the day before. I ask you to come into the United Nations Chapel whenever you are down this way and remember there before God those who are now away. This will strengthen our fellowship with those we remember. E. F. THE RECTOR'S MESSAGE

We meet again this morning in this Church made sacred by the lives of those who have worshipped God here in the past. From this Church they went forth to serve God in ministering to their fellowmen in this community and through their gifts they made it possible for others to minister in Christ's name to those far away. This Sunday as we begin the 250th Anniversary Year of the Parish, we are deeply conscious of our great heritage. As we come forward to the Lord's Table to receive the bread and wine of life, may we in this our day go out from this sacred place filled with the Spirit of Christ to serve in the community. E. F. K.

NOTES

THE ADMINISTRATION OF THE WINE IN THE HOLY COMMUNION WILL BE BOTH by the Common Chalice and Intinction. If you wish to receive by intinction you retain the wafer in your hand. The clergyman administering the Chalice will then know that you wish to kep the wafer, and will place before you the smaller Chalice for that purpose. Those receiving from the Common Chalice are asked to assist the clergyman by guiding the base of the Chalice with the hand.

THE WOMAN'S AUXILIARY WILL MEET FRIDAY OF THIS WEEK AT 11:15 A. M. in the Neighborhood House. At 1 p.m. there will be a box lunch, after which the Rector will read a letter from Mr. Okie and talk about Liberia.

THE RECTOR'S MESSAGE

Holy Week - the last week in Lent. The events in that week of Our Lord's life do not represent on His part a mad rush to catch up on all the things he had neglected doing up to that time. All too often on our part the hectic rush to attend services, to crowd the discipline neglected during Lent into the last week represents just that, but it need not. Leaving aside all sentimentalism and and asking God's forgiveness for our past sins and negligences, we can soberly and thoughtfully walk with Christ through this Holy Week. We can seek as we do to have a clearer understanding of the problems of our day, but we can only walk with Christ through Holy Week and after as we take up the Cross daily and follow Him. The times call for not sentimental well-wishers, but consecrated followers of Christ - disciples who in losing their lives for Christ find abundant living and the peace which passeth understanding. THE RECONSTRUCTION AND ADVANCE FUND

At the Parish meeting held after the 11 o'clock service on Sunday, April 29, it was unanimously voted to participate in the raising of the $5,000,000 Fund of the Protestant Episcopal Church for Reconstruction and Advance work when the war is over. The goal accepted by the congregation was $10,875.00. 109 members of the congregation made their pledges then and there. They were as follows: 29 for 250 pennies; 47 for 250 nickels; 26 for 250 dimes; 4 for 250 quarters; 1 for 250 half dollars; and 2 for 250 dollars. The pledges already made total $2,140.25. In order to reach our goal we need 100 giving 250 pennies; 150 giving 250 nickels; 200 giving 250 dimes; 40 giving 250 quarters; 5 giving 250 dollars for a total of 495 givers. It was pointed out on Sunday that the offering would be presented on the 250th Anniversary Sunday of the Parish, November 11, as a thank offering for two hundred and fifty years of faith and an offering of rededication. The offering will also be in honor of those from this parish who have given their lives in this war for freedom and also for those now serving in the armed forces. The names of those on the honor roll will be put in a book together with all the names of those contributing to the fund and will be placed on the altar on the Sunday nearest the Anniversary each year. Members of the congregation who were not present and who did not make their pledge will be visited and the plan explained to them. The purpose of the fund is to enable the Church to take full advantage of its opportunities in the mission fields when the war is over and at a time when the whole world cries for that which only the Church of God can offer.

1945—The 250th Anniversary Year

September 30, 1945

Dear Fellow Member:

This year you are celebrating your 250th Anniversary. For you are Christ Church. Depending upon your attitude and sense of personal responsibility, Christ Church is either a cold, didactic organization or a living, vital pulsating organism. Our Rector is our beloved leader, but we are the guardians of our heritage. We get only in proportion to what we give of ourselves - our time, our interest and cooperation. This challenge to our sense of loyalty none of us can or will ignore.

A vital part of our celebration are the Sunday afternoon addresses, commencing September 30th, through each succeeding Sunday up to and including November 11th. Not only are you, as one of us, urged to attend and get others to attend these inspiring addresses, but you are also needed as a contributing personal, not financial, factor.

Each Sunday afternoon six men and women of the congregation will meet at the Church at 3:30 p.m. to act as ushers and hostesses for the occasion. We cordially invite and urge you to participate in this capacity at the afternoon service, or services, most convenient to you.

If you will be so kind as to phone the Church Neighborhood House and notify them on what specific Sunday afternoon, or afternoons, you will serve, the entire Parish will deeply appreciate your interested cooperation.

With thanks for your personal Christian fellowship and acceptance of this opportunity and challenge of unselfish interest, we are

Faithfully yours,

Walter Miller
Robert Moorman Jr.,

THE RECTOR'S MESSAGE

We need power. We need power to create here in this parish a spirit of fellowship. We need power to have the kind of fellowship in which the spirit of God will be felt so that others coming in contact with it will be drawn to God and sent out to work in the Community.

The power we need is not in ourselves. The source of it is in God. He gives power to those who will receive it and use it in His service. We are to spend it, and ourselves be spent, in carrying out God's will.

When we let the power of God in Jesus Christ crack the human atom that is each one of us, we will recognize the Kingdom of God within ourselves. With power as a fellowship we will spend and be spent as loyal followers of Him who came "not to be ministered unto, but to minister and to give His life a ransom for many." E. F. K.

OUR SERVICE THIS AFTERNOON

The address will be made by the President of St. John's College, Annapolis, Dr. Stringfellow Barr, who is well-known in educational circles. UNITED WAR CHEST

Team work won the war. Now we must work together to win the peace. Teamwork is still essential. Through the UNITED WAR CHEST and our gifts to the current campaign for funds we can work together to support the 145 all-time community social, health and youth services in our own city. Also we can share in the work of the U. S. O. Clubs and Camp Shows for those still in the services stationed at bases all over the world. Then, too, part of the fund raised will enable us to relieve suffering and meet the human need of the victims of war throughout the world. Three great needs are covered by your one gift to the United War Chest. Make your gift an offering to God for a lasting peace. E. F. K.

OUR PREACHER THIS AFTERNOON

This Sunday afternoon at 4 and again next Sunday at 4, we are having a preacher representing a denomination that was active in Colonial days. The preacher this afternoon is the Rev. Dr. Edgar F. Romig, Senior Minister of the Collegiate Church of New York and President of the General Synod of the Reformed Church in America. THE RECTOR'S MESSAGE

I want to extend my thanks and appreciation to all those who worked so hard and faithfully on committees and otherwise throughout the Anniversary year. It has meant much to have your devotion and untiring loyalty. Together I think we have been able to celebrate the 250th Anniversary in a manner befitting the occasion and in a way to call the attention of the community to the Faith in God upon which our Nation as well as this Parish was founded and upon which it must continue to rest now in this day of opportunity for great service to God and man.

This Sunday we begin a new year in the life of the Parish. Behind us are 250 years that speak for themselves. What has been accomplished by those who shared their fellowship in Christ Church is our heritage. At present we will do honor to the past, as we work together in the one purpose of making our fellowship express to us, and through us to others, the spirit of Him whose name our Parish bears.

E. F. K.

THE RECTOR'S MESSAGE

This is the Sunday next before Advent. It is known as "Stir-up Sunday" because of the opening words of the Collect for the Day. It is a suggestive name. We pray God to stir up our wills that we may put our faith into practice. So day by day - at home, at work, at play - we seek to be conscious of the strength God gives us to enable us to carry out His will. Our bounden duty as Christians is first to follow Christ in seeking God's Kingdom and righteousness for ourselves and all others. On this Sunday God grant us to be stirred up for action and aroused to give our all in God's service following the example of our Saviour Jesus Christ.

E. F. K.

RECONVERSION IS A WORD WE ARE ALL FAMILIAR WITH. ALL INSTITUTions and industries are seeking to clarify their thought and action in this post-war atomic age. The Church is no exception. Reconversion is necessary. We must look at our task in the light of our weakness and our strength. Only so can we have part in building a world in which atomic energy will be used for constructive rather than destructive ends. Now - this Advent - is the time to begin to prepare ourselves and the fellowship of which we are a part for the task ahead. We must begin again to catch the spirit of great expectation that was abroad in the world before the Christ-Child was born. Then into our hearts and into our fellowship will enter His Spirit which alone can enable us to live together and work together for a constructive peace. Without the self-discipline of worship, work and giving we cannot play our part as followers of Jesus Christ. With the beginning of a new Church Year we can make a new start. Do it now. E.F.K.

THE FIRST SUNDAY IN ADVENT IS ALWAYS THE TIME FOR THE CORPORATE Communion for men and boys of the parish. The Rector hopes that all will be present for the 11 o'clock service this Sunday.

AT THE VESTRY MEETING LAST WEEK THE VESTRY RECEIVED WITH REGRET and expression of gratitude of past services, the resignation of Lewis N. Lukens, Jr. Herbert W. Goodall, Jr., who was recently discharged from the army was elected to the Vestry.

THE RECTOR'S MESSAGE

The habit of daily Bible reading is one habit every Christian should have. The world today needs men and women who are grounded in the Word of God. The Epistle for this Second Sunday in Advent reminds us that everything written in the Bible is for our instruction and encouragement. In this atomic age we need the inspiration and hope the Bible gives to those who make a habit of reading it. The Bible has a way of reading us even as we read it. It teaches us to escape into life, because life is the gift of God. The Forward Movement booklets with their daily suggested Bible readings will help you to form the habit of reading the Bible. Advent is a season of preparation. Use it to form this good habit and so prepare yourself for courageous and abundant living. E. F. K.

Your Parish Meeting Report

On December 30, 1945 a Parish meeting was held after the 11 o'clock service. It was reported that our 250th Anniversary Thank Offering to help rebuild a bombed Church in the Phillipines did not reach the goal we had set for ourselves. From some 250 persons a little over $6,000. was received. Our goal was $10,875. from 495 persons.

The meeting on December 30 voted to try between now and June to make up the balance by a weekly EXTRA sacrificial offering each week. The envelope enclosed with this leaflet - and to be enclosed with the leaflet each week - is for your - and your family's - EXTRA offering. Please put your name on the envelope each week. By your sacrificial offering each week you will be following the example of the Good Samaritan and obeying our Lord's admonition, "Go, and do thou likewise." Christian giving from all will enable the Church to meet its great opportunity throughout the world. "Let us rise up, and build". And may God enlarge our faith, enlighten our understanding, and fill us with a hearty desire to do His will. E. F. K.

NOTES

SYDNEY L. W. LEA HAS BEEN ELECTED A VESTRYMAN TO SUCCEED GEORGE W. Wilkins who has resigned after 14 years of loyal and devoted service to the Parish. We welcome Mr. Lea and are glad to report that though he will no longer be a Vestryman we will continue to have Mr. Wilkins' loyal support as a parishioner.

CONFIRMATION CLASSES FOR ADULTS WILL BEGIN THIS SUNDAY. THE Rector will meet with the class in his office each Sunday immediately after the 11 o'clock service. Visitors are welcome.

THOSE WHO WISH TO MAKE A TOUR OF THIS HISTORIC CHURCH ARE ASKED to gather in the Tower Room after the 11 o'clock service.

FROM A PARISHIONER

"In this drive for funds to rebuild bombed Churches and extend the ministry of the Church to others we should have interest and pride in Christ Church to see to it that we are ever alive to our responsibility to humanity in general. How well Christ Church ministers to others will depend on the cooperation given by the individuals who make up the congregation. We must not fail. May the inspiration of the Old Church reach deep in our hearts. Give now and each week until June. Use the extra offering envelope!"

THEOLOGICAL EDUCATION

One of the major responsibilities of the Christian Church is the training of its clergy. Every Christian has a direct responsibility in the field. The clergy come from the laity. The interest and support the laity give to the Theological Seminaries in a large measure determine the number and kind of leaders the Church has in its clergy. The Presiding Bishop has designated this Sunday, the Sunday nearest St. Paul's Day, for a general offering in all parishes for the support of the Seminaries where men are trained for the ministry. Enclosed with this leaflet is an envelope for your offering. It will be sent to the Virginia Theological Seminary where the Rector and Mr. Okie were trained. With this leaflet is also being sent you a leaflet about the Seminary. Read it and then make your offering. The envelope for your extra offering to help rebuild bombed churches is omitted this week. The rebuilt churches must have ministers.

NOTES

"FOR TWO HUNDRED AND FIFTY YEARS CHRIST CHURCH HAS BEEN A RELIGIOUS beacon illuminating this, the oldest business neighborhood in Philadelphia. Its spire is a torch rising to the sky guiding whosoever will to come to God. Won't you come? You are more than welcome. You are very definitely needed."

A WELCOME TO VISITORS

We of Christ Church would always have you feel at home in this House of God for all people. If you have no Church home in the city, we would like you to join us in the fellowship of this parish. You are invited to give your name and address to one of the clergy or ushers.

THE RECTOR'S MESSAGE

February is known as Brotherhood Month. In it occurs the birthdays of two great Americans - George Washington and Abraham Lincoln, who not only preached brotherhood, but practiced it. As Christians we believe in brotherhood and have the responsibility of practicing it. The things that separate one man from another are accidents of race, creed and economic status. That which makes us brothers is no accident. We are all children of one Father. The Christian faith gives meaning to community. The Christian faith that is ours we must practice in our every day relationships in order that the world may become the kind of community in which we can live at peace with one another. During Brotherhood Month in Christ Church we will have as our preacher on Sunday morning, February 10, at 11 o'clock the Rev. William D. Turner, Rector of St. Augustine's Church. Those who heard him last February know that a real privilege it will be for us to have him again this year. On Wednesday, February 20, a group from Mikveh Israel Synagogue will have supper in the Neighborhood House with me. On Sunday afternoon, February 24, Rabbi Louis Wolsey, of Rodeph Shalom Synagogue, will make the address at the 4 o'clock service. This service is being planned with the help of the Conference of Christians and Jews. Tea will be served in the Neighborhood House following the Service. I urge all of you to be present on February 10 and 24. During the month I hope many of you will find it possible to attend a synagogue and also one of our negro churches. In this way you can get to know your brothers better.

THE RECTOR'S MESSAGE

This is Race Relations Sunday. We are reminded that brotherhood and peace is essentially a religious problem. Men have been trying to work this problem out along political and economic lines for hundreds of years. It never can be solved on the human level. We are not brothers because we are men, but we are men and brothers because we are children of God. On this Sunday we are glad to welcome to Christ Church as our preacher the Rev. William D. Turner, Rector of St. Augustine's Church, 20th and Columbia Ave., this city. We appreciated his coming to us on this same Sunday last year and are glad to have him again this year. While Mr. Turner is preaching here, I will be preaching for him at St. Augustine's.

For this Sunday Bishop Hart has written the following prayer and requested that it be said at all services:

"O God, our heavenly Father, eliminate, we beseech Thee, all prejudice and misunderstanding that separates us from our brethren. Open our hearts and minds to new friendships among men of races and cultures, religions and classes other than our own. Help us to labor together in fellowship to build here a righteous society founded on brotherhood and justice. Through Jesus Christ our Lord." Amen.

THE RECTOR'S MESSAGE

Once, so the story goes, many centuries before Christ in Greece a group of farmers decided to make a gift of a cask of wine to their King. Each farmer was to pour into the cask a goatskin of wine. When the cask was full it was tested before being sent to the King. It turned out not to be a cask full of wine, but a cask full of water Each farmer had thought to defraud his neighbor by putting in a goatskin full of water, thinking that when it mingled with the wine it would not be noticed. All they had succeeded in doing was defrauding themselves. Last Sunday I exchanged pulpits with Father Turner, the Rector of St. Augustine's Church. I preached to well over 400 people at St. Augustine's. I understand that Father Turner preached a really fine sermon at Christ Church. The congregation numbered 106.

NOTES

THIS IS SEPTUAGESIMA SUNDAY. THE THREE SUNDAYS WITH THE LONG NAMES-Septuagesima, Sexagesima and Quinquagesima-form a transition period between the festival commemoration of Christmastide and the Penitential observance of Lent, the names given the Sundays being roughly 70, 60, and 50 days before Easter. This pre-Lenten season is a period during which we can well consider our bounden duty as Christia to "follow Christ, to worship God every Sunday in His church, and to work and pray and give for the spread of His Kingdom."

THE RECTOR WILL BE GLAD TO TALK TO ANY MEMBERS OF THE PARISH WHO may be interested in giving foster care to children. The Philadelphia Bureau of the Children's Aid Society of Pennsylvania desperately needs more foster homes for its children.

THE QUIET DAY FOR WOMEN WILL BE HELD AT ST. PETER'S CHURCH, 3RD AND Pine Streets, on Tuesday, February 26, from 10 a.m. till 3 p.m. Luncheon reservations should be made at the Woman's Auxiliary Office, Church House, Spruce 6650.

THE RECTOR'S MESSAGE

The Resolution regarding the United Nations Organization was passe unanimously by the Parish meeting after the 11 o'clock service on Sunday, March 3. A further suggestion was made that the Resolution be sent to the Presiding Bishop with the suggestion that all the parishes in the Episcopal Church be asked to consider such action and also to use regularly a prayer for the United Nations Organization. The follow ing prayer has been suggested by Dr. Kolb and will be used in Christ Church:

"Almighty God, who hast declared how good and joyful a thing it is for brethren to dwell together in unity;
We can only fulfill Thy gracious purposes for us as we find our unity in Thee;
Grant that the spirit which enabled us to fight together in the common cause may teach us to live together in a common world;
Give us courage to abandon the unworkable old for the untried new; fear of Thee lest we fall under that judgment and misuse of the victory it was Thine alone to give; willingness to do Thy will when it involves sacrifice;
Be Thou our guide as we struggle toward a fuller realization of Thy Kingdom;
We ask all this through Jesus Christ Thy Son our Lord." Amen.

THE RECTOR'S MESSAGE

We cannot give lip service to Christ and serve self. We live in a world where now, as always, it is God's way as revealed by Christ, or the way of religious intolerance, racial prejudice, national and individual selfishness that ends in chaos and destruction. The road to heaven is not the road to hell. The story of Christ's temptation in the wilderness helps us to see that being Christian in the kind of world in which we live involves having Christ's view of man, of God, and of man's vocation. To have that Christian attitude involves taking time to be with Christ that with Him and each other we may worship God and serve only God. E. F. K.

THE RECTOR'S MESSAGE

We are happy to welcome a group of students from the High School in Oak Ridge, Tennessee this morning. These students are sons and daughters of the scientists who have been working on the development of atomic energy. Two of these students will speak at the service this morning. Many of us read their Open Letter to modern youth printed in the Philadelphia Record on Christmas Day. Many of us share their feeling that the discovery of atomic energy must be dedicated to the purposes of life. It will do us all good to hear what these young people have to say. E. F. K.

THE RECTOR'S MESSAGE

We have passed the half-way mark of Lent. There is still time to sharpen our discipline, deepen our devotion and increase our study and work. As we use the remainder of the time that is ours to the full, may we come to Easter with a great desire to stand in the presence of the Risen Lord and to go out with Him on many adventures. In addition to the Parish prayer and the prayer for the United Nations, many of you may like to use the following prayer which is quoted from the Trinity Church leaflet in Boston:

> "O God, save us from making weak compromises, false choices, vacillating decisions. Open the eyes of our understanding that we may see clearly what is required of us. Then, O God, have patience with us as we struggle toward that far-off goal." Amen.

THE RECTOR'S MESSAGE

This Sunday we begin the last two weeks of Lent. We remember Our Lord's determination to go to Jerusalem. During this week we take this journey from Galilee to Jerusalem with Him. On Palm Sunday we hear again the glad hosannas of the crowd that welcomed Him to Jerusalem. During Holy Week we think again of the cleansing at the Temple, of the Last Supper in the Upper Room, of the prayer in the Garden of Gethsemane and of Calvary. If you have not spent the time in prayer and study that you meant to spend during the first four weeks of Lent, remember the opportunity is yours today and for the next two weeks.

THE RECTOR'S MESSAGE

The events of Holy Week proved the disciples. So the events of life prove us no matter what our pretentions. As we go with our Lord over the road He traveled during his last week, may it become for us a Holy Week, as our eyes are opened to see ourselves as we really are. Then may we give ourselves to Christ that we may become what He would have us be. E. F. K.

NOTES

THE NATIONAL FOOD DRIVE to send food to the starving in Europe and the Far East begins today and will continue to May 31. We are all asked to buy coupons at 15¢ each in stores, schools and churches. The purchase of these coupons will eliminate several handlings of food and mean that your money will buy more for your buying will be done wholesale. The Rector urges each man, woman and child in the Christ Church family to buy as many coupons as possible and thus help to feed the starving. The magnitude of the job is such that it can only be done if we all make real sacrifices. Coupons will be on sale in the Tower Room after the 11 o'clock Service.

The Bishop has asked that the coupons, after they are bought, be deposited in a box in the Church. On May 28 the coupons of all the parishes in the Diocese will be taken to the Bishop who will in turn present them to the Mayor. So, wherever you buy your coupons bring them to the Church so that we may have a goodly number to send on to the Bishop.

"If Everybody CARES enough,

THE REV. J. CLEMENS KOLB, S.T.D.

The Parish will be sorry to learn that the pressure of his other work has made it necessary for Dr. Kolb to give up his regular Sunday work on the staff of Christ Church.

Dr. Kolb has been with us since January 1942. His happy spirit and ready willingness to help at all times has been an inspiration to all of us. His sermons have always been something to look forward to and to remember. The Parish greatly appreciates all that he has done to further the work here. We are glad to know that although he is severing his official connection as a member of the staff he is remaining as a member of the Parish and will be here for services as often as he can.

OUR PREACHERS THIS SUNDAY

Our preachers this Sunday are two distinguished members of the House of Bishops. Both are Missionary Bishops. They are men who carry on for us the work of the Church in far off places. The money we give for missions helps make their work possible. Bishop Kingsolving of Arizona will be the preacher at the 11 o'clock service. He has a story to tell of the missionary work here in our own country. Bishop Harris will preach at the 8 o'clock service this evening, and will bring us first hand news of the work in Liberia, where the Rev. Packard L. Okie has been and where the Rev. Bolling Robertson now is. At the 8 o'clock service we will also welcome the clergy, choirs and congregations of St. Thomas' and St. Augustine's. The 8 p.m. service will be broadcast beginning at 8:05 over Station WPEN.

RECTOR'S MESSAGE

I am glad to share with you the following quotation of a letter that I received not long ago. It expresses so well what many feel when they come in to Christ Church. God grant that we may so strengthen our worship and fellowship and work in Christ's name that visitors to Christ Church may always sense God's presence there. "I have been active in Church work for the greater portion of my life, and have had occasion to visit many churches in this city and others. It was on a lovely June Saturday morning that we just stopped by, and even though there was no one in the church except ourselves, we walked around on tiptoe, so as not to disturb the peaceful quietness; we felt surrounded by our Lord's Holy Presence. It seemed to me that we were blessed by just being there."

NOTES

Also at this Parish meeting the Church School Committee will report. Following the meeting there will be a reception for Mr. and Mrs. Sturtevant with refreshments. The Rector is counting on you to be present. If you cannot come please let him know. Otherwise he will expect you.

A NOTE ON WORSHIP

Dr. Temple, the late Archbishop of Canterbury, once said," This world can be saved from political chaos and collapse by one thing only, and that is worship". And we might add the same holds true for salvation from moral confusion. Archbishop Temple was not referring to worship as a set form or ritual but as that attitude of dependence on God that led Christ and His Disciples to go to the mountain top to pray. As we have that attitude our world will be saved from collapse and chaos by those who in worship know Christ to be the only source of truly human living.

YOUTH SUNDAY

This Sunday is Youth Sunday and there will be a special service at eleven o'clock. Charles Breig, Howard Temme, Jack Taylor, and Stephen Jessum will be the ushers. The young people attending the Service will give to the Church's United Youth Offering. This offering from the young people of all the Episcopal Churches will be used to train Japanese Youth for Christian Work in Japan.

WHY SEND AID TO THE JAPANESE? There is an opportunity today to Christianize Japan which we have never had before and will never have again. A few weeks ago Douglas MacArthur said "During the process of the war these 70,000,000 heard nothing but Japanese victories. Then they suddenly felt the concentrated shock of total defeat. It was not merely the overthrow of their military might; not merely the great defeat for their nation, it was a collapse of faith. If left a complete vacuum, morally, mentally, spiritually and physically. And then into this vacuum flowed the democratic way of life". If we really want peace and democracy let us remember that they are grounded in Christianity. We must not let the sacrifices of those who gave their lives be in vain! These men fought not only for our American Way of Life but for the peace and security of the "whole" world!

YOUR PLEDGE, YOUR OPPORTUNITY: The Canvass material you received a few days ago suggested a means of helping you make your pledge for the support of Christ Church during 1947. By using this table you will see how your time for the Church compares with the time you spend at your work and recreation; also how your spending for the Church compares with your spending for living necessities, charities, and luxuries.

COUPONS ARE ON SALE IN THE TOWER ROOM AFTER THE 11 o'clock Service to enable you to share in the Diocesan project to bring material aid to the devastated countries in Europe. So far in this parish from contributions and the sale of coupons $276.60 has been sent to the Church House.

THE RECTOR'S MESSAGE

You have received from the Vestry literature concerning Christ Church - its opportunity and its needs in 1947.

Christ Church has rich endowments from the past - endowments of spirit, of buildings and of money.

Christ Church has a present responsibility and opportunity.

Christ Church needs YOU - and it doesn't have you without your presence at worship on Sunday - and without your money which is part of you in transferable terms.

Christ Church is a family of the children of God. The needs of this family are necessities and not luxuries. I am frankly and unashamedly asking you to make your giving to the Church a first charge on your income after you have taken care of your family's needs. It is the fellowship of the Church which alone encourages and makes possible by the indwelling Spirit of God all other institutions of helpfulness in the community including government, schools, hospitals, and social agencies.

Perhaps you who read this are one who has already sent in your pledge for 1947. Was it for all you should have made it? Perhaps you have not yet made your pledge. Make it now and make it thoughtfully and prayerfully. Mail it to me in the envelope provided. Remember the pledge card has two sides! E.F.K.

RECTOR'S MESSAGE

THE PLEDGE FOR 1947. As I write this message(on October 26) 141 pledges for the Budget of Christ Church for 1947 have been sent to me. These pledges total $4,647.20. Of this total $2,867.18 is for the Parish and $1,780.02 for Missions.

This means that roughly 23% of the members of the Parish have pledged 21% of the Budget. If the remaining members of this Parish Family do as well and just a little bit better the budget will be pledged.

But of the 141 pledges received so far only 61 have pledged regular attendance at worship. Without worship this Parish Family cannot be the power for the Kingdom of God in Philadelphia that it must be for this community to be strong and healthy. The Every Member Canvass that reaches its monetary goal and fails to enlist the members of the Parish Family in regular worship and work falls far short of its aim.

A recent survey by a Philadelphia Newspaper revealed that 4 out of 5 of the citizens of this city were uninformed about the election to be held on Tuesday, November 5. There is a direct connection between the failure of Christians to be regular in worship and the failure of citizens to be responsible members of their community. Democracy is not a panacea for all ills, it is a way of government that depends on the leavening influence of true Christians.

Here then is the challenge to us in Christ Church. Let us be better members of the Christ Church family assuming our full responsibility for regular worship, honest work and sincere giving for the family's support that we may be a redeeming fellowship in the life of our community. The power of the Holy Spirit was given to the early Christian fellowship as they were all together in worship. They went out as witnesses to Christ throughout the world. Nothing short of the power of the Holy Spirit as God operates in the followers of Jesus Christ can redeem the times in which we live.

You are signed with the sign of the Cross. You are Christ's. As you sign your pledge for the Every Member Canvass make it a rededication of your life to Christ and His Way and Cause. E.F.K.

THE BUDGET

For 1947 we need $19,827 in pledges. This breaks down to $381.29 per Sunday. Christ Church has something over 600 members who should pledge money and regular worship. This means an average pledge of at least 64 cents per week per member. Some can't give that much.Others can give more. All can come regularly to worship each Sunday. And NOTE - 64 cents is less than the admission to a mid-town movie. Before you make your pledge - ask yourself - "In the kind of world we live in, what is most important: fellowship in the Church of the Living God or what?"

THE RECTOR'S MESSAGE

World Order Day

The Federal Council of Churches of Christ in America, representing most of the Protestant Churches, through its Department of International Justice and Goodwill has asked that this Sunday be observed as World Order Day. In this time of world confusion the Churches have an opportunity and a responsibility to bring the principles and resources of the Christian Gospel to bear in the problems. This is no time for complacency or despair. Throughout the world there is a growing sense of unity and fellowship among the Churches. This ecumenical movement is a bright beacon in a dark world pointing the way toward a world order based not on mankind's scheming but upon the sure foundation of God's planning and God's righteousness.

Prayer and worship, active participation in the parish family and in the community on the part of all of us as individuals and as a fellowship is called for.

The Joint Commission on Social Reconstruction of the Protestant Episcopal Church is issuing shortly a book entitled "Christianity Takes a Stand". To further our growth and development along this line in this parish the book will be used as a basis for discussion after the supper in the Neighborhood House on the first Wednesday of each month. Put the dates down now and plan to come.

E.F.K.

NOTES

THE PLEDGE CARDS FOR THE 1947 BUDGET AND FOR WORSHIP, WORK AND BRINGING OTHERS are coming in. On November 4th, 262 pledges have been received for a total of $7,679. Of the 262, one hundred six have pledged regular worship. IF YOU HAVE NOT MADE YOUR PLEDGE PLEASE SEND IT TO THE RECTOR AT ONCE. We should have a total of 600 pledges. EVERYONE CAN ATTEND REGULARLY AND CAN GIVE WITH UNDERSTANDING.

THE CHURCH SCHOOL TEACHERS will hold a meeting in Washburn House this Sunday immediately after the 11 o'clock Service.

THE CHURCH CLUB OF PHILADELPHIA will give a dinner to the Hon. Owen J. Roberts on the night of Tuesday, November 12th at 6:30 o'clock at the Barclay Hotel. All members of the Club and guests desiring to attend will get in touch with the Treasurer, Mr. Henry Lear, at the Fidelity-Phila. Trust Bldg.

THE RECTOR'S MESSAGE

World Order Day

The Federal Council of Churches of Christ in America, representing most of the Protestant Churches, through its Department of International Justice and Goodwill has asked that this Sunday be observed as World Order Day. In this time of world confusion the Churches have an opportunity and a responsibility to bring the principles and resources of the Christian Gospel to bear in the problems. This is no time for complacency or despair. Throughout the world there is a growing sense of unity and fellowship among the Churches. This ecumenical movement is a bright beacon in a dark world pointing the way toward a world order based not on mankind's scheming but upon the sure foundation of God's planning and God's righteousness.

Prayer and worship, active participation in the parish family and in the community on the part of all of us as individuals and as a fellowship is called for.

The Joint Commission on Social Reconstruction of the Protestant Episcopal Church is issuing shortly a book entitled "Christianity Takes a Stand". To further our growth and development along this line in this parish the book will be used as a basis for discussion after the supper in the Neighborhood House on the first Wednesday of each month. Put the dates down now and plan to come.

DUST AND THE BIBLE

Do you dust the Bible in your home?

The newspapers sometime ago carried the story of the divorce proceedings in which a minister accused his wife, among other things, of not dusting his Bible. It should never be necessary to dust the Bible. Constant use will keep dust from collecting on it. The Bible is a book designed to be read. Read your Bible each day. Let it read you. What is written in the Bible was written for your learning - to enable you to live and work as a child of God and a member of His family.

OUR PREACHER THIS MORNING

We are happy to welcome to Christ Church on this first Sunday after Christmas the Rev. Eric F.F.Bishop, of the Church Missionary Society of the Church of England. Mr. Bishop is head of the Newman School of Missions in Jerusalem. He has served as a missionary for twenty-seven years, 25 years in Jerusalem. The Newman School of Missions is a school belonging to the Methodist Church which has been made available to all missions in the Middle East. Mr. Bishop is therefore a representative of church unity.

We at Christ Church feel that we have indeed a privilege and opportunity in having Mr. Bishop as our preacher this Sunday. It is not often that we can hear about Christmas directly from the Holy Land. Mr. Bishop is the author of a pamphlet "The Palestinian Background of Christmas."

THE RECTOR'S MESSAGE

After the eleven o'clock service this morning we will meet as a parish family. The Vestry will, at the beginning of this new year, put before us the problems and opportunities as they see them and call on all of us to share with them in planning for this year of our Lord 1947. The parish is a family and its problems are the very real concern of every member of the family. Mr. Sturtevant and I hope that there will be a free and ready expression of opinion at this parish meeting. We trust that the Holy Spirit will guide our deliberations and send us forth into the new year united in the service of Him whose name this Church is honored to bear.

Come - listen - speak - share - go forth to dare great things for God trusting in His saving power.

"THE LUXURY OF TENTATIVENESS"

The Church in Ladicea was neither hot nor cold. It was lukewarm. Its members were half-hearted in their Christianity. They were enjoying what has been called "the luxury of tentativeness" - saying maybe I will, maybe I won't according to my own convenience at the moment. That is a luxury no man can enjoy and be a Christian. Our Lord's demand is still the same as ever it was, "If any man will come after me let him take up his cross daily and follow me."

With this Sunday we begin the Pre-Lenten season in the Church Year. As we meditate upon our Lord's words and plan the adventure of Lent we see that the first thing to cast off - to give up - is "the luxury of tentativeness". Having given that up we can go thru Lent as our Lord went through His soul-searching experience in the wilderness. As we commit ourselves wholeheartedly to Christ the discipline of worship, work, study and giving will deepen our discipleship.

What shall I give up for Lent? Give up "the luxury of tentativeness" and take on the Christian way of life. Let not the Church in Philadelphia, because of you, remain in the heresy of the Church in Laodicea.

E.F.K.

As we meditate upon our Lord's words and plan the adventure of Lent we see that the first thing to cast off - to give up - is "the luxury of tentativeness". Having given that up we can go thru Lent as our Lord went through His soul-searching experience in the wilderness. As we commit ourselves wholeheartedly to Christ the discipline of worship, work, study and giving will deepen our discipleship.

What shall I give up for Lent? Give up "the luxury of tentativeness" and take on the Christian way of life. Let not the Church in Philadelphia, because of you, remain in the heresy of the Church in Laodicea.

THE RECTOR'S MESSAGE

This is the 50th anniversary of the observance of Race Relations Sunday throughout the Protestant Church in America. Through the observance of this Sunday the Churches throughout the land seek to bring before their people the fact that the fatherhood of God means the brotherhood of all mankind. The forces of evil are too strong for us individually. Two world wars in the first half of this century should make us deeply aware of that fact. Only as we work together as brothers under one Father can we begin to build a peace that will be lasting.

Our Lord said, "By this shall all men know that ye are my disciples, if ye have love one toward another". If we do not have that love the world cannot see in us the redeeming power of God.

E.F.K.

OUR PREACHER THIS MORNING

Our preacher this morning is the Rev. William D. Turner, rector of St. Augustine's Church. We are happy to welcome Father Turner to Christ Church. He comes as a friend and not as a stranger having preached here before. While Father Turner is preaching at Christ Church the Rector is preaching at St. Augustine's.

"THE LUXURY OF TENTATIVENESS"

The Church in Ladicea was neither hot nor cold. It was lukewarm. Its members were half-hearted in their Christianity. They were enjoying what has been called "the luxury of tentativeness" - saying maybe I will, maybe I won't according to my own convenience at the moment. That is a luxury no man can enjoy and be a Christian. Our Lord's demand is still the same as ever it was, "If any man will come after me let him take up his cross daily and follow me."

With this Sunday we begin the Pre-Lenten season in the Church Year. As we meditate upon our Lord's words and plan the adventure of Lent we see that the first thing to cast off - to give up - is "the luxury of tentativeness". Having given that up we can go thru Lent as our Lord went through His soul-searching experience in the wilderness. As we commit ourselves wholeheartedly to Christ the discipline of worship, work, study and giving will deepen our discipleship.

What shall I give up for Lent? Give up "the luxury of tentativeness" and take on the Christian way of life. Let not the Church in Philadelphia, because of you, remain in the heresy of the Church in Laodicea.

THE RECTOR'S MESSAGE

Modern man's attitude toward the Bible is obsolete - not the Bible. The Bible is a book about life. It shows us ourselves as we are and as God means us to be. The Bible speaks to us. It calls us, and spurs us on to the kind of action which the world needs for abundant life - God-centered action.

Begin this Lent to read the Bible - your Bible - and let it read you. Stop being obsolete in a modern age.

THE RECTOR'S MESSAGE

Every day we are called upon to make judgments. Judgments and decisions made from a purely selfish point of view are bound to be faulty. Not only do they not produce abundant living for the individual, but they have ill effects in society generally. What we want as individuals we can only have as we obey Christ and "seek first the Kingdom of God and His righteousness". Then as seekers after what is true in fact, we will make judgments and decisions in line with God's will, and the abundant life we want for ourselves will be ours as we share it with others. E.F.K.
